ICCC Head Start

**For families of children
Birth to Kindergarten Age**

**Serving Clearwater, Red Lake,
Pennington,
and East Polk Counties**

What is Head Start?

ICCC Head Start is a preschool program for income eligible children and their families ages **birth to age five**. The Head Start Program is provided at no charge to you. The program focuses on education, health, mental health, nutrition, and family services.

Home Based Option

The Home Based option is available for ages 0 - 5 in all communities in our service area. In the home-based program, a Home Visitor will come to your home each week and provide fun ways for you to help your child learn and grow. Two family events are also provided each month. This will give you and your child a chance to socialize with other families.

Combination Option

The Combination option is currently available for 4 year olds in the Fosston, Oklee, and Win-E-Mac school districts. Head Start and School Readiness work together to provide center time for children. A Head Start Educator makes two scheduled home visits per month and provides family events.

Center Based Option

The Center Based option is available for 4 year olds in Bagley and Thief River Falls. Center is offered 4 half days per week. Families also receive scheduled home visits and are provided family events.
