Report on the Financial Statements

We have audited the accompanying financial statements of Inter-County Community Council, Inc., which comprise the statements of financial position as of September 30, 2021 and 2020, and the related statements of activities, functional expenses, and cash flows for the years then ended and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Inter-County Community Council, Inc. as of September 30, 2021 and 2020, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States.

Other Matters

Supplementary Information

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The schedule of expenditures of federal awards as required by Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, and the schedule of nonfederal assistance are presented for purposes of additional analysis, and are not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated January 20, 2022, on our consideration of Inter-County Community Council, Inc.'s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Inter-County Community Council, Inc.'s internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Inter-County Community Council, Inc.'s internal control over financial reporting and compliance.

Inter-County Community Council, Inc.

Notes to Financial Statements

Note 1: Summary of Significant Accounting Policies

Nature of Operations

Inter-County Community Council, Inc. (the “Organization”) is a nonprofit organization that provides health and welfare services as a Community Action Agency for Clearwater, East Polk, Pennington, and Red Lake Counties. The Organization provides services in a variety of areas, including energy and weatherization assistance, Head Start and Early Head Start, housing rehabilitation, youth employment and training, and senior employment.

The Organization’s support comes primarily from state and federal grant awards. The Organization received approximately 38% and 39% of its grant revenue for the years ended September 30, 2021, and 2020, from the U.S. Department of Health and Human Services (DHHS) under the federal Head Start program. Approximately 15% and 16% of total grant funding was received under its Workforce Innovation and Opportunity Act (WIOA) grants passed-through Northwest Private Industry Council for the years ended September 30, 2021 and 2020.

Basis of Presentation

The financial statements are prepared using the accrual basis of accounting in accordance with accounting principles generally accepted in the United States.

Classification of Net Assets

Net assets and revenue, gains, and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets of the Organization and changes therein are classified and reported as follows:

Net Assets Without Donor Restrictions - Net assets that are not subject to donor-imposed stipulations or where donor-imposed stipulations are met in the year of the contribution.

Net Assets With Donor Restrictions - Net assets subject to donor-imposed stipulations that may or may not be met either by actions of the Organization and/or the passage of time. When a restriction expires, net assets with donor restrictions are transferred to net assets without donor restrictions and reported in the statements of activities as net assets released from restrictions. If a restriction is satisfied in the year of contribution, the contribution is recorded as revenue without restrictions.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Inter-County Community Council, Inc.

Notes to Financial Statements

Note 1: Summary of Significant Accounting Policies (Continued)

Recently Adopted Accounting Pronouncement

In 2014, the FASB issued ASU No. 2014-09, *Revenue from Contracts with Customers (Topic 606)*. This ASU, as amended, provides comprehensive guidance on the recognition of revenue from customers arising from the transfer of goods and services, guidance on accounting for certain contract costs, and new disclosures. The new standard replaces previous revenue recognition requirements and most industry-specific guidance. The Organization has adopted ASU No. 2014-09, *Revenue from Contracts with Customers (Topic 606)* as of October 1, 2020. Management has adopted the guidance on a modified retrospective basis and analysis of various provisions of this standard resulted in no significant changes in the way the Organization recognizes revenue. There was no cumulative effect on beginning net assets of applying the new standard and its amendments for the year ended September 30, 2020.

Revenue Recognition

Contributions and Grants

Contributions, including promises to give, are considered conditional or unconditional, depending on the nature and existence of any donor or grantor conditions. A contribution or promise to give contains a donor or grantor condition when both of the following are present:

- An explicit identifying of a barrier, that is more than trivial, that must be overcome before the revenue can be earned and recognized
- An implicit right of return of assets transferred or a right of release of a donor or grantor's obligation to transfer assets promised, if the condition is not met

Unconditional contributions or conditional contributions in which the conditions have been substantially met or explicitly waived by the donor are recorded as support with or without donor restrictions, depending on the existence and nature of any donor restrictions. When a restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statements of activities as net assets released from restrictions.

Conditional contributions are recognized when the barriers to entitlement are overcome and the promises become unconditional. Unconditional contributions are recognized as revenue when received.

Grants are either recorded as contributions or exchange transactions based on criteria contained in the grant award.

A. Grant Awards That Are Contributions

Grants that qualify as contributions are recorded as invoiced to the funding sources in accordance with the terms of the award and ASC Subtopic 958-605. Revenue is recognized in the accounting period when the related expenses are incurred. Amounts received or receivable in excess of expenses are reflected as a refundable advance liability.

B. Grant Awards That Are Exchange Transactions

Exchange transactions are reimbursed based on a predetermined rate for services performed. The revenue is recognized in the period the service is performed.

Inter-County Community Council, Inc.

Notes to Financial Statements

Note 1: Summary of Significant Accounting Policies (Continued)

Revenue Recognition (Continued)

Sale of Homes Held for Sale

Sales revenue is generated from the sale of homes held for sale. Customers pay for the property on a stand-alone selling price basis at the point of sale which occurs at a point in time. Control is transferred immediately to the customer at the point of sale, at which point the Organization recognizes the revenue. There are no discounts on purchases or refunds available for these sales.

Certificates of Deposit

Certificates of deposit are stated at cost, which approximates fair value.

Homes Held for Sale

Homes held for sale are stated at the lower of cost or net realizable value. Net realizable value is the estimated selling price in the ordinary course of business, less reasonably predicted costs of completion, disposal, and transportation.

Revolving Loans Receivable

The Organization operates a housing revolving loan program funded by Minnesota Housing and Finance Authority (MHFA). The Organization receives funds from MHFA to construct or renovate homes and then sell those homes under land contracts to eligible individuals. Any funds repaid must be used to construct homes, provide renovation loans to existing individuals under the program, or cover a percentage of administrative costs. Loans receivable are stated at the amount of unpaid principal discounted at the prevailing market rate at the inception of the mortgage. The loans are non-interest-bearing.

Management generally has the intent and ability to hold all loans for the foreseeable future or until maturity or pay-off and has reported the loans at their outstanding unpaid principal balances. Loan origination fees, net of certain direct origination costs, are recognized as income or expense when received or incurred since capitalization of these fees or costs would not have a significant impact on the financial statements.

Allowance for Loan Losses

The Organization does not maintain an allowance for the loan loss account due to the fact that in the event of non-payment by a homeowner, the Organization will start eviction proceedings and take back possession of the home. The home is then put back on the market to be contracted to another qualifying individual or family. The Organization classifies a receivable as delinquent if the individual is two or more months in arrears, has abandoned the home, or if the home is at risk of incurring damage. Delinquent payments are treated on a case-by-case basis but, generally, if a homeowner is late more than 30 days with a payment and no forbearance has been granted, verbal contact is made with the homeowner and is followed up with a letter confirming the conversation. If the terms outlined during the verbal contact are not met and/or the homeowner becomes 60 days late, cancellation proceedings are started. All cancellations are handled by the Organization's attorney in accordance with the laws of the State of Minnesota.

Inter-County Community Council, Inc.

Notes to Financial Statements

Note 1: Summary of Significant Accounting Policies (Continued)

Property and Equipment

Property and equipment are recorded at cost and depreciated using the straight-line method over the estimated useful life of the asset. The Organization capitalizes property and equipment purchased with a cost greater than \$5,000 and a useful life of more than one year. Donations of property and equipment are recorded as support at their estimated fair value on the date of donation. Such donations are reported as support without donor restrictions unless the donor has restricted the donated asset to a specific purpose.

Property and equipment purchased with grant funds are owned by the Organization while used in the program for which they were purchased or in other future authorized programs. However, the various funding sources have a reversionary interest in the property and equipment purchased with grant funds. Its disposition, as well as the ownership of any proceeds therefrom, is subject to funding source regulations. The net book value of property and equipment purchased with grant funds was \$162,285 and \$212,348 as of September 30, 2021 and 2020, respectively

Income Taxes

The Organization is qualified for tax-exempt status under Section 501(c)(3) of the Internal Revenue Code and a similar provision of Minnesota law.

The Organization is required to assess whether it is more likely than not that a tax position will be sustained upon examination on the technical merits of the position assuming the taxing authority has full knowledge of all information. If the tax position does not meet the more likely than not recognition threshold, the benefit of that position is not recognized in the financial statements. The Organization has determined there are no amounts to record as assets or liabilities related to uncertain tax positions.

Functional Allocation

The costs of providing the various programs and activities have been summarized on a functional basis in the statements of activities and statements of functional expenses. Accordingly, certain costs have been allocated among the programs and supporting services benefited. Personnel costs are allocated based on time and effort reporting. Occupancy and related costs are allocated based on square footage. Other costs may be allocated to multiple programs using a basis determined to be appropriate to that particular cost.

In-Kind Contributions

The Organization has recorded in-kind contributions for space, supplies, and professional services on the statements of activities and statements of functional expenses in accordance with a financial accounting standard that requires that only contributions of service received that create or enhance a nonfinancial asset or required specialized skill by the individual possessing those skills and would typically need to be purchased if not provided by donation be recorded. The requirements of this standard are different than the in-kind requirements of several of the Organization's grant awards. The Organization received contributions during the years ended September 30, 2021, and 2020, with a value of \$383,179 and \$117,596, primarily for its Head Start and Early Head Start programs, which are not recorded in the statements of activities or statements of functional expenses.

Inter-County Community Council, Inc.

Notes to Financial Statements

Note 1: Summary of Significant Accounting Policies (Continued)

Future Accounting Pronouncement

In 2016, the FASB issued ASU No. 2016-02, *Leases (Topic 842)*, which is intended to improve financial reporting on leasing transactions. ASU No. 2016-02 will require lessees to recognize right of use assets and lease obligations for operating and finance leases under terms greater than 12 months. ASU No. 2016-02 is effective for fiscal years beginning after December 15, 2021, with early adoption permitted. The Organization is currently evaluating the impact of the provisions of ASU Topic 842.

Subsequent Events

Subsequent events have been evaluated through January 20, 2022, which is the date the financial statements were available to be issued.

Note 2: Concentration of Credit Risk

The Organization maintains their cash balance at various financial institutions which are insured by the Federal Deposit Insurance Corporation (FDIC) up to \$250,000. Balances in the Organization's operating account in excess of the FDIC limit are swept to a savings account at an affiliated financial institution.

Note 3: Liquidity and Availability of Financial Assets

Financial assets available for general expenditure, that is, without donor or other restrictions or designations limiting their use, within twelve months of the statement of financial position date, are comprised of the following as of September 30:

	2021	2020
Cash	\$ 441,884	\$ 343,488
Certificates of deposit	641,559	626,235
Grants receivable	426,972	462,646
Revolving loans receivable, current portion	50,834	10,800
Total financial assets	1,561,249	1,443,169
Less: Accounts payable	149,687	142,060
Less: Accrued payroll and compensated absences	240,242	219,156
Less: Refundable advance liability	40,801	43,035
Less: Net assets with donor restrictions included in financial assets	227,111	186,930
Total available financial assets	\$ 903,408	\$ 851,988

Inter-County Community Council, Inc.

Notes to Financial Statements

Note 3: Liquidity and Availability of Financial Assets (Continued)

As part of the Organization's liquidity management, it has a policy to structure its financial assets to be available as its general expenses, liabilities, and other obligations become due. As part of its liquidity plan, excess cash is invested in short-term investments, including savings accounts and certificates of deposit. The Organization can rely on a lower cash balance as they are primarily funded with cost reimbursement grants. Under cost reimbursement grants, once expenses are incurred an organization can request reimbursement from the funding source. Their grants have varying renewal dates. The Organization has grant commitments for future expenses of approximately \$4,400,000.

Note 4: Grants Receivable

Grants receivable consist of the following at September 30:

	2021	2020
Federal programs	\$ 304,238	\$ 376,440
State programs	110,387	74,417
Other programs	12,347	11,789
Total grants receivable	\$ 426,972	\$ 462,646

Note 5: Revolving Loans Receivable

The Organization operates a housing revolving loan fund that provides assistance to eligible participants in the form of non-interest-bearing loans which are secured by various property owned by the recipients. Principal payments are based on the participants' ability to pay and repayment terms are adjusted annually. As loan funds are repaid, they are available to be re-loaned to eligible participants and to cover a fixed percentage of administrative and program costs. The loans are due and payable on the occurrence of various events, including sale, transfer, or reassignment of the property, death of the homeowner, the homeowner no longer occupying the property, or the passage of time.

The loans were discounted to their net present value using discount rates ranging from 4% to 6%. The loans receivable are as follows:

	2021	2020
Revolving loans receivable	\$ 130,246	\$ 135,692
Discount on revolving loans receivable	(47,751)	(51,729)
Revolving loans receivable, net	82,495	83,963
Current portion	50,834	10,800
Net long-term revolving loans receivable	\$ 31,661	\$ 73,163

The unamortized discount is the difference between the face amount of the land contract and its present value discounted at a compound interest rate. This discount is then amortized over the life of the land contract.

Inter-County Community Council, Inc.

Notes to Financial Statements

Note 6: Property and Equipment

Property and equipment consist of the following at September 30:

	2021	2020
Land	\$ 21,961	\$ 21,961
Building	463,072	463,072
Equipment	418,047	418,047
Subtotals	903,080	903,080
Less accumulated depreciation	(628,802)	(562,832)
Totals	\$ 274,278	\$ 340,248

Depreciation expense was \$65,970 and \$74,829 for the years ended September 30, 2021 and 2020, respectively.

Note 7: Net Assets with Donor Restrictions

Net assets with donor restrictions consist of revolving loan funds and program contributions. The revolving loan funds are to be used for housing loans to eligible participants and to cover administrative costs of operating the program. The emergency response funds are to be used to provide additional shelter capacity or the purchase of supplies in response to the COVID-19 pandemic. Net assets with donor restrictions as September 30 are as follows:

	2021	2020
Revolving loan funds	\$ 258,772	\$ 261,723
Emergency response	0	58,370
Totals	\$ 258,772	\$ 320,093

Net assets of \$61,321 and \$497 were released from restrictions during the years ended September 30, 2021 and 2020 through the satisfaction of program restrictions.

Note 8: Operating Leases

The Organization leases various facilities under operating leases. Lease expense for the years ended September 30, 2021 and 2020, was \$113,461 and \$119,156, respectively. Minimum future rental payments under the operating leases are as follows:

2022	\$ 108,643
2023	71,099
2024	16,575
2025	16,575
2026	12,663
Total	\$ 225,555

Inter-County Community Council, Inc.

Notes to Financial Statements

Note 9: Retirement Plan

The Organization has a defined contribution retirement plan authorized under Section 403(b) of the Internal Revenue Code. The plan is open to substantially all employees. The Organization contributes 5% of employees' compensation for eligible employees who have met a six-month service requirement. The Organization's contributions for the years ended September 30, 2021 and 2020, were \$88,250 and \$84,792.

Note 10: Grant Awards

As of September 30, 2021, the Organization had commitments under various grants of approximately \$4,400,000. These commitments are not recognized in the accompanying financial statements as receivables and revenue as they are conditional awards.

Note 11: Related Party Transactions

For the years ended September 30, 2021 and 2020, the Organization recognized contract revenue of \$20,747 and \$17,233, respectively, for accounting and reporting services provided to Northwest Private Industry Council (NWPIC). NWPIC is the pass-through entity for one of the Organization's programs and the Organization received grant funds of \$594,895 and \$641,396 as the subrecipient of the award program from NWPIC for the years ended September 30, 2021 and 2020, respectively, and had grants receivable of \$79,957 and \$136,484 at September 30, 2021 and 2020.

Notes to the Schedule of Expenditures of Federal Awards

September 30, 2021

Note 1 - Basis of Presentation

The Schedule of Expenditures of Federal Awards (the "Schedule") includes the federal grant activity of Inter-County Community Council, Inc. under programs of the federal government for the year ended September 30, 2021. The information in this schedule is presented in accordance with the requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Because the schedule presents only a selected portion of the operations of Inter-County Community Council, Inc., it is not intended to and does not present the financial position, changes in net assets or cash flows of Inter-County Community Council, Inc.

Note 2 - Summary of Significant Accounting Policies

Expenditures reported on the Schedule are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in the Uniform Guidance, wherein certain types of expenditures are not allowable or are limited as to reimbursement.

Note 3 - Indirect Cost Allocation

Inter-County Community Council, Inc. has not elected to use the 10-percent de minimis indirect cost rate as allowed under the Uniform Guidance.

Note 4 - Subrecipients

Inter-County Community Council, Inc. had \$131,390 in subrecipient expenditures under AL #14.276 during the year ended September 30, 2021.

Inter-County Community Council, Inc.

Inter-County Community Council, Inc.
Oklee, MN

We have audited, in accordance with the auditing standards generally accepted in the United States and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, the financial statements of Inter-County Community Council, Inc., which comprise the statement of financial position as of September 30, 2021, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated January 20, 2022.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered Inter-County Community Council, Inc.’s internal control over financial reporting (“internal control”) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Inter-County Community Council, Inc.’s internal control. Accordingly, we do not express an opinion on the effectiveness of Inter-County Community Council, Inc.’s internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity’s financial statements will not be prevented, or detected and corrected, on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit, we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Inter-County Community Council, Inc.'s financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of This Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance, and the results of that testing, and not to provide an opinion on the effectiveness of Inter-County Community Council, Inc.'s internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Inter-County Community Council, Inc.'s internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Independent Auditor's Report on Compliance for the Major Federal Program and on Internal Control Over Compliance

Board of Directors
Inter-County Community Council, Inc.
Oklee, MN

Report on Compliance for the Major Federal Program

We have audited Inter-County Community Council, Inc.'s compliance with the types of compliance requirements described in the *U.S. Office of Management and Budget (OMB) Compliance Supplement* that could have a direct and material effect on its major federal program for the year ended September 30, 2021. Inter-County Community Council, Inc.'s major federal program is identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility for Compliance

Management is responsible for compliance with federal statutes, regulations, and the terms and conditions of its federal awards applicable to its federal programs.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for Inter-County Community Council, Inc.'s major federal program based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about Inter-County Community Council, Inc.'s compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for the major federal program. However, our audit does not provide a legal determination on Inter-County Community Council, Inc.'s compliance.

Opinion

In our opinion, Inter-County Community Council, Inc. complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on its major federal program for the year ended September 30, 2021.

Report on Internal Control Over Compliance

Management of Inter-County Community Council, Inc. is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered Inter-County Community Council, Inc.'s internal control over compliance with the types of requirements that could have a direct and material effect on a major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for the major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of Inter-County Community Council, Inc.'s internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.
