INTER-COUNTY COMMUNITY COUNCIL PROGRAMS

Employment and Training Program- (218) 796-5144 Option 7

This program offers services to individuals starting from the age of at least 14. We offer services to those who are in-school, out-of-school, low-income adults, dislocated workers, and those who are at least 55 years of age. Eligibility guidelines vary depending on the program, background, income and other possible barriers to employment. Employment and training services are both federally and state funded. Some services that may be offered are work experiences, on-the-job training, classroom training assistance, and supportive services. Skills and experiences will be matched to opportunities within the Northwest region.

Energy Assistance Program- (218) 796-5144 Option 4

The Energy Related Repair Program provides financial assistance with emergency repairs of furnaces. Households must be homeowners and must be eligible for the Energy Assistance program. The Crisis Program provides immediate support or referral for families who are in an emergency energy situation.

Family Services Programs- (218) 796-5144 Option 6

The family services department assists families and individuals with resources that promote self-sufficiency throughout our service area. The department administers the following types of programs in Red Lake, Pennington, Clearwater and East Polk counties: financial assistance which is directed toward preventing eviction and homelessness, assisting homeless individuals and families with utility deposits or rent assistance to secure housing, programs to assist homeless youth (ages 16-24), assisting households that have been homeless 4 times in the past 3 years of couch-hopping for 1 full year, permanently support those who are literally homeless and have a disability with their housing needs and food support outreach program to educate and assist families and individuals in applying for food support (SNAP).

Food Shelf- (218) 796-5144 Option 8

ICCC has a food shelf to assist families having a food emergency. The food shelf hours are Monday-Friday 8:00 am-12:00 pm and 1:00 pm-4:30 pm. ICCC requests that you call in advance to allow your food box to be prepared when you arrive.

Head Start- (218) 796-5144 Option 5

Head Start works with families expecting or have children ages 0-5, at no cost to the family. We help....

- Parents be their child's most important TEACHER
- Find ways to play & interact with your child at home
- Support your child's health and development
- Teach social-emotional skills
- Provide developmentally appropriate activities
- Track children's growth & developmental milestones
- Prepare children for school
- Promote family wellbeing

Check out our website for eligibility guidelines and program options.

MNSure Outreach & Enrollment- (218) 796-5144 ext. 1017

MNSure is the online marketplace for individuals and families in Minnesota to get low-cost or free health insurance. MNSure is where households apply for MA or MnCare and also is the only place Minnesotans can go and see if they qualify for a federal tax credit to pay health insurance premiums. ICCC is helping spread the word about MNSure, as well as assisting people in our community to enroll in MNSure.

Weatherization- (218) 796-5144 Option 3

Weatherization is designed to help qualified families weatherize their home, to reduce heating costs, and to provide a healthier family living environment. Saving energy waste also helps conserve other natural resources. The program provides a variety of measure designed to save energy and reduce heating costs. This program serves Red Lake, Pennington, Clearwater and East Polk Counties.
